

The Pandemic made me do it

Experiences from U3A Frankston during the restrictions and isolation of 2020 in Victoria to help celebrate our 35th Birthday.

The Committee of U3A Frankston would like you to share with us some of the projects you have undertaken over the six months we have been closed.

Closing date for entries is Friday 9th October for display for our 35th Birthday at the end of October during Seniors Week. (26th – 30th October)

Your entry may take the form of a short story or poem (500 words or less), a song, a picture (painting), a photograph, a recipe, a pattern or an instruction manual and evidence of success! Scanned photos of some items perfectly acceptable.

Many of us have attempted projects during the last few months that have taken us into areas of new skills and amazing results. Some of us have experimented with cooking, others with crafts. We have some very talented members and we would like to celebrate this talent by showing everyone how marvellous and resilient we are.

Entries should be submitted on line where possible to andrea@andreamccall.com.au or mailed to U3A Frankston, P O Box 6047, Frankston 3199.

Enquiries to Office@u3af.org.au or 9770 1042.

HAPPY PROJECTS

Andrea McCall

President, U3A Frankston
